SDR Consortium Membership Application Process

1. A request for nomination letter was developed and broadly disseminated to stakeholders and consumers on January 4, 2012 with a final nomination submission request date of January 18, 2012.
2. All nominees will be sent a Consortium Membership Application Package. The Package will consist of a: Consortium Application, request for Resume, Terms and Conditions of Consortium Membership Document, and Conflict of Interest Form. Applicants will be required to sign and return all documents in order for Application Package to be considered complete.
3. The Consortium Membership Application will serve as the first criteria for candidate selection and is designed to identify criteria reflective of the constituency groups identified as the target audiences in the Stigma & Discrimination RFP. The Program Manager, with the assistance of CiMH, will conduct an initial review of applications to ensure that candidates meet application criteria.
4. A committee of consumers, family members and parents will be identified to assist in review and ranking of the applications and to ensure that final selection of applicants is reflective of target constituencies.
5. All applicants will be notified of the status of their applications by February 2012, and the first consortium meeting will be convened in either February or March 2012.
