<p>We are looking for individuals who are team players, understand the importance of a broader agenda that builds and engages multiple partners to move the issue of prevention of mental illness forward, and individuals who can work through process.</p>			

1. Please write a brief paragraph describing your professional and/or lived experiences with the groups you have checked above.

2. What particular skill sets, expertise, and/or strengths can you bring to this process that supports your interest as a subject matter expert for the SDR Proposal Review Panel(brief description only)?

3. What similar processes have you participated in that involved individuals/subject matter experts coming together to support a common agenda, and how would you describe your role in navigating and supporting the outcome of this process (brief description only)?
