■ **PREVIOUS BOARD/BOARD COMMITTEE ACTIONS:** N/A

■ **SUMMARY OF REQUEST:** The California Department of Mental Health (DMH) allocated a portion of the Mental Health Services Act (MHSA) funding to each county for Prevention & Early Intervention (PEI) Statewide Projects. These projects include Suicide Prevention, the Student Mental Health Initiative, and Stigma and Discrimination Reduction. In March 2009, Mendocino County, like many others, assigned its allocations for fiscal years 2008/09 through 2011/12 back to DMH to enable the State to implement these projects more cohesively and to save the county administrative costs the projects would require. Since that time, development and implementation of these projects have been delayed at the State level, and some counties have formed (Continued on page 2)

**II. BRIEF SUMMARY:**

(Continued from Page 1)

A Joint Powers Authority (JPA) to implement the projects independently as an alternative. The JPA is named the California Mental Health Services Authority (CalMHSA). There is no option to bring the funding back to Mendocino County once it has been assigned to DMH. However, the State recently offered counties that had previously assigned their allocations to DMH the opportunity to reassign their allocations to fund a contract between DMH and CalMHSA to develop and implement the Stat-wide projects. In addition CalMHSA’s membership has grown as more counties have chosen to join the JPA. Membership allows counties to participate more actively in the design of the projects and to implement them more expeditiously while avoiding prohibitive local administrative costs. At its meeting on July 21, 2010, the Mendocino County Mental Health Board voted to approve a motion to support Mendocino County’s joining CalMHSA and reassigning its PEI Statewide Projects allocations for fiscal years 2008/09 through 2011/12 and its planning funds for fiscal years 2008/09 through 2010/11 to fund a contract between DMH and CalMHSA. If approved, membership in CalMHSA would entail an application fee of \$250 and participation by the Mental Health Director or designated alternate in occasional Cal MHSA meetings in Sacramento.
