5. **CalMHSA Finance Committee Overview**

Committee Chair requested staff to give an overview of the internal review for contract closeout and processing checks. Laura Li, JPA Administrative Manager, presented the Finance Committee with a detailed overview which included the following items:

- ✚ Tracking of contractor spending patterns – Ensures legitimacy of expenditures especially now that initial contracts are being closed out.
- ✚ Compliance of General Terms – Ensuring contractors are complying with the requirements under general terms and conditions, such as insurance certification, reporting and completion of deliverables.
- ✚ Approving Invoices - Once confirmed the above items are complied with, approval is given to proceed with processing payments.
- ✚ Tracking holdbacks – Holdbacks were applied for the last six months of the term of initial contracts to ensure compliance of contractor obligations. Holdbacks will be paid once all records are reconciled and requirements have been met.
- ✚ Tracking funding – Staff tracks all sources of funding, amount, terms of agreements and payments made on a monthly basis to ensure we do not exceed the total approved funding amounts for each contractor.

- ✚ Holding payments – Staff will withhold payments if contractor is not meeting its obligations under the contract, such as completion of deliverables, submittal of regular reports, invoices not prepared as required, cost are not justifiable.

Kim Santin, Finance Director presented the internal closeout process which highlighted the important steps in order to closeout contracts. The following steps are required to complete the closeout of a contract:

1. Program Manager must confirm deliverables were completed, Program Reports completed, and hardcopy of final deliverables and received an Assignment of Rights Letter
2. JPA Administrative Manager must confirm all CRM requirements are completed and General Terms and Conditions are completed including Certificates of Insurance and Invoices submitted.
3. Finance Director must review all Quarterly Cost Reports, Payments, hold backs, and contract including Amendment funding amounts.
4. Final approval from Executive Director and Program Director.
