**1. CALL TO ORDER**

CalMHSA President Maureen F. Bauman, Placer County, called the Board of Directors of the California Mental Health Services Authority (CalMHSA) to order at 2:20 P.M. on October 15, 2015, at the Four Points by Sheraton in Sacramento, California. President Bauman welcomed those in attendance as well as those listening in on the phone.

President Bauman asked CalMHSA JPA Administrative Manager Laura Li to call roll, in order to confirm a quorum of the Board.

**2. ROLL CALL AND INTRODUCTIONS**

Ms. Li called roll and informed President Bauman a quorum had not been reached, and proceeded to do a roll call for the Executive Committee. Ms. Li confirmed that a quorum was established for the Executive Committee.

### 3. INSTRUCTIONS FOR PUBLIC COMMENT AND STAKEHOLDER INPUT

CalMHSA Legal Counsel Doug Alliston, Murphy, reviewed the instructions for public comment, and noted items not on the agenda would be reserved for public comment at the end of the agenda.

### 4. CONSENT CALENDAR

President Bauman acknowledged the consent calendar and asked for comment from Board members. Hearing a request from CalMHSA Treasurer Dawan Utecht, Fresno County, to pull board item 4.B.2 "Adoption of Sustainability Taskforce Recommendations" from the consent calendar, President Bauman entertained a motion for approval of the remaining items.

**Action:** *Approval of the consent calendar with the exception of item 4.B.2.*

### 5. FINANCIAL MATTERS

A. Report from the CalMHSA Finance Committee – Dawan Utecht

CalMHSA Treasurer Dawan Utecht, Fresno County, reported out from the Finance Committee Teleconference of September 14, 2015. Cash Management was discussed; the Finance Committee reiterated to Board Members the importance of timeliness for cash collections for Phase II, due to cash flow concerns. Treasurer Utecht reminded the Counties to contact CalMHSA staff and/or Laura Li, to assist them with this process if necessary.

## 6. PROGRAM MATTERS

### A. State Hospital Bed Program – Correct Care Solutions (CCS) Presentation

CalMHSA Chief Operations Officer John Chaquica gave an overview of the recent meeting with representatives from Los Angeles County and **CCS**. Mr. Chaquica informed the Board of the meeting's success, as Los Angeles County fully supports CalMHSA and **CCS** in laying the groundwork for the hospital project; he also reported that **CCS** has brought in a firm called CoreCivic to assist in the financing and construction. In addition, Mr. Chaquica stated the current MOU would be finalized and distributed to all counties for approval and execution, by the end of the month. He added the Department of State Hospital (DSH) had indicated their preference to use one contractual mechanism for the procurement of State Hospital beds, which is the MOU being distributed by CalMHSA.

Mr. Chaquica fielded questions from the board regarding the next steps as discussed in the meeting; in particular, many board members expressed concern regarding the function of the MOU and resulting invoices, with several county representatives inquiring as to whether it applied to non-participant or newly participating counties. Mr. Chaquica reaffirmed that the MOU was universally applicable, with no financial obligation until such time a bed is actually used.

#### ***Recommendation: Discussion.***

Public comment was heard from the following individual(s):

*None*

## 7. GENERAL DISCUSSION

### A. Report from CalMHSA President

No discussion.

### B. Report from CalMHSA Executive Director

CalMHSA Executive Director Wayne Clark gave a 'state of the state' overview, outlining key developments such as the CalMHSA grant to SAMHSA was not selected for funding, the ongoing effort to secure private sector funding, and the possibility of the Each Mind Matters project becoming its own distinct initiative. Director Clark went into further detail regarding the expansion of Drug Medi-Cal coverage for substance abusers, and its effect on small counties, and opened the question of how CalMHSA can assist in the implementation of a program. Also discussed were the comparative statistics of care collected from Napa State Hospital versus the **CCS** facilities toured by CalMHSA this year; the general consensus of the Board fell strongly in favor of **CCS** as an alternative provider for the state of California.

## 8. PUBLIC COMMENTS

President Bauman invited members of the public to make comments on non-agenda items.

Public comment was heard from the following individual(s):

*None*

## **9. NEW BUSINESS**

General discussion regarding any new business topics for future meetings.

## **10. CLOSING COMMENTS**

### 6. PROGRAM MATTERS

#### A. State Hospital Beds Update

John Chaquica, Chief Operating Officer provided the Board members with an update on the following items:

- Memorandum of Understanding
- Los Angeles County Potential Site(s)
- Department of State Hospitals Meeting

#### B. Runyon, Saltzman and Einhorn Contract Amendment

Executive Director Clark reminded board members of their request for a diversification of CalMHSA's funding base for statewide projects, to include private support. As such, staff has reached out to RS&E to strategize. One of the outcomes determined was the need for an independent analysis of the feasibility of CalMHSA seeking private funding. With that, Executive Director Clark introduced Scott Rose of RS&E to present the benefits of such a study along with associated costs.

Scott Rose of RS&E briefly shared the challenges encountered in trying to secure private funding for CalMHSA, and proceeded to introduce Rose Lester of Lester Consulting Group (LCG), a nonprofit consulting firm, with a plan for conducting a statewide study to assess the feasibility of securing \$75 million in five-year pledges solely for the purpose of funding CalMHSA programs.

Dr. Clark indicated the cost for the study itself would be \$75,000.00. RS&E would provide half of the funding from their existing Phase II Agreement, with the other half to be provided by CalMHSA, should the Board approve.

**Action:** *Authorize staff to execute a contract amendment with Runyon, Saltzman and Einhorn, which increases their contract by \$37,500 for the purpose of conducting a feasibility study for ascertaining potential private interest and support of CalMHSA statewide mental health programs.*

**Motion:** *San Diego – Alfredo Aguirre*

**Second:** *Los Angeles County – William Arroyo*

**Motion passed unanimously by Executive Committee Members.**

Public comment was heard from the following individual(s):

*None.*

## Memo

December 18, 2015

To: Karen Baylor, California Department of Health Care Services (CDHCS)

From: Kim Santin, Finance Director, California Mental Health Services Authority

Re: CalMHSA Contract 09-79119-00 (DHCS #12-89125) Reporting for the Fiscal Year Ended June 30, 2015

On behalf of the California Mental Health Services Authority (CalMHSA), enclosed is the JPA's revenue and expenditure report for the year ended June 30, 2015. The financial audit report will be sent under separate cover. The attached report demonstrates CalMHSA's execution of the deliverables outlined in the April 29, 2010 contract:

- B. Commencing in FY 2010/2011 and each fiscal year thereafter, not later than December 31, the Contractor shall provide to CDHCS the following information for the previous fiscal year:
  - (1) An accounting of the funds administered by the Contractor in aggregate, to include:
    - a.) Amount at the beginning of the fiscal year in the account specified in item 5.B.
    - b.) Amounts received during the fiscal year.
    - c.) Amount disbursed throughout the fiscal year.
  - (2) An accounting of funds by County as specified in item 5.B.(6) to include:
    - a.) Amount at the beginning of the reporting term.
    - b.) Amount of funds received for each County.
    - c.) Amount of interest earned on funds by date posted to the account.
    - d.) Amount of funds remaining for each County at the end of the reporting term.
    - e.) A report on the total amount of encumbered and unencumbered funds.
- C. The Contractor shall prepare and distribute at its meetings quarterly reports of all of its revenues and expenditures.
- D. The Contractor shall keep such books and records of the operation of the programs and the Account, pursuant to generally accepted accounting principles for governmental entities, practices and applicable laws and regulations. CDHCS, or its representative, shall have the right to audit the programs and Account, at its expense, and upon reasonable notice to the Contractor.

**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
California Mental Health Services Authority  
Sacramento, California

**Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities and major fund of California Mental Health Services Authority ("CalMHSA") as of and for the fiscal years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise CalMHSA's basic financial statements as listed in the table of contents.

**Managements Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States or the minimum requirements prescribed by the State Controller's Office for special district audits. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of California Mental Health Services Authority as of June 30, 2015 and 2014, and the respective changes in financial position for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America, as well as accounting systems prescribed by the State Controller's Office and State regulations governing special districts.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and Statement of Revenues, Expenditures and Change in Fund Balance – Budget (Non-GAAP) and Actual – General Fund be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB) who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted principally of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## **Report on Other Legal and Regulatory Requirements**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 4, 2015 on our consideration of California Mental Health Services Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

JUNE 30, 2015 AND 2014

---

Management of California Mental Health Services Authority ("CalMHSA") is pleased to present the following discussion and analysis that provides an overview of the financial position and activities of the Authority for the fiscal years ended June 30, 2015 and 2014. The discussion should be read in conjunction with the financial statements and accompanying notes, which follow this section.

### **Overview of CalMHSA**

CalMHSA is an independent administrative and fiscal government agency focused on the efficient delivery of California mental health projects. On June 11, 2009, six California counties established CalMHSA as a Joint Powers Authority (JPA) to jointly develop, fund and implement mental/behavioral health projects and educational programs at the state, regional and local levels. California county members can act alone or in collaboration, to participate in the statewide Prevention and Early Intervention (PEI) projects, contract and/or negotiate with State or other providers for mental hospital beds, contract and/or negotiate with the State or federal government for administration of mental health services, operate program risk pools, technical assistance and capacity building program, workforce education training program, and other projects as deemed appropriate.

CalMHSA is headed by a separate Board of Member Counties and an Executive Committee comprised of officers and Statewide Regional Representatives. It employs the administrative firm, specializing in JPA management, of George Hills Company, Inc. and separate legal counsel of Murphy Campbell Guthrie & Alliston. CalMHSA operates within the statutes governing Joint Powers Agreement entities and complies with the Brown Act open meeting requirements.

As of June 30, 2015, 52 members (50 counties, one city and one JPA) work together to develop, fund and implement PEI programs, on a statewide or regional basis that conform with the "Guidelines for PEI Statewide Programs" issued by the Mental Health Services Oversight and Accountability Commission (MHSOAC). Total funding available for the CalMHSA members was \$147 million. Since the development of the initial budget, membership has exceeded management's expectations and is currently at 52 members. As of October 2013, member counties had directed \$147 million (\$160 million is statewide total) to CalMHSA.

### **Background**

In 2004, California voters passed Proposition 63 (The Mental Health Services Act) (MHSA), landmark legislation that created an ongoing funding source and a framework for transforming California's traditional community mental health system into a system equipped to support prevention and wellness, and on addressing the unmet needs of California's diverse and underserved population groups with culturally relevant and effective services and education. In 2007, the MHSOAC, which was created as a stipulation of the MHSA to oversee the management of these funds, approved a one-time investment of \$160 million over four-years. Three strategic initiatives were identified through a stakeholder process and approved by the MHSOAC in May 2008, for the distribution of this one-time allocation: \$40 million

for Suicide Prevention (SP), \$60 million for Student Mental Health (SMH), and \$60 million for Stigma and Discrimination Reduction (SDR).

On April 15, 2010, CalMHSA executed a contract with the California Department of Mental Health (CDMH) for the amount not to exceed \$160 million. Specifically CalMHSA will, consistent with the requirements of the MHSA and as approved by the MHSOAC and CDMH, develop and implement PEI programs, on a statewide or regional basis that conform with the "Guidelines for PEI Statewide Programs" issued by the MHSOAC and the three State Strategic Plans. This contract has been funded exclusively from funds in the "PEI State-Administered Projects Planning Estimates", now called the "PEI State-Administered Component Allocations", published on September 11, 2008. The term of this contract was April 15, 2010 through June 30, 2014. In January 2011, the MHSOAC approved the CalMHSA PEI Statewide Projects Implementation Work Plan. A total of 25 providers were identified through an RFP process to implement the Work Plan by June 30, 2014.

### **2014/2015 Program Highlights**

#### Phase I & Phase II – Sustainability

With the end of the four-year period nearing, the CalMHSA Board of Directors adopted a two-phase planning strategy for continuing the investment in statewide PEI efforts. In April 2014, the CalMHSA Board approved a Phase I Funding Plan to sustain the existing Statewide PEI projects through June 30, 2015. Phase I continues some of the current CalMHSA PEI Statewide Projects existing funds and a winding down of others pursuant to the guidance of stakeholders and Board. Phase I is recognized as a short-term sustainability solution for the purpose of providing program partners with additional time to successfully complete their activities and deliverables, and to reduce the risk of any adverse consequences of discontinuing activities (e.g., the ability to measure long-term impact).

Additionally, in August 2014, the CalMHSA Board approved a Phase II Funding Plan for purpose of continuing work related to PEI projects through June 30, 2017. Funding for Phase I and Phase II is derived from current county members committing a range of 1% to 7% funding from their local PEI funds for the next three fiscal years, in addition to CalMHSA seeking other funding to include state and federal resources.

#### 7th International "Together Against Stigma" Conference

The 7th International "Together Against Stigma" Conference was held for the first time in the United States in San Francisco February 18-20, 2015 on behalf of CalMHSA, the World Psychiatric Association, the California Institute for Behavioral Health Solutions, and the County Behavioral Health Directors Association of California. The stigma of mental health challenges is not exclusive to any one country or culture. The 7th International Conference: Each Mind Matters brought together over 750 prominent and diverse voices committed to working together to address the stigma people living with mental health challenges are subjected to in other countries and in the United States on a daily basis. Held for the first time in the United States, the gathering hosted experts, researchers, advocates and emerging leaders in mental health advocacy from 17 countries. Three days were packed with thought provoking panels, new research, and inspiring testimony where mental health experts and advocates came together to tackle

challenges, share promising practices and spotlight successes in combating stigma worldwide. Each Mind Matters: California’s Mental Health Movement reached a global audience at the conference that spotlighted the innovations and outcomes pioneered by leading mental health partners.

**Financial Highlights for the Fiscal Year Ended June 30, 2015**

Revenues	\$ 7.2 million	Revenues increased \$5.4 million over the prior year. The rise in revenues was primarily due to funding for Phase I sustainability.
Expenses	\$27.5 million	Expenses decreased \$34.1 million or 55% over the prior year. The budget for current year Phase I sustainability contracts was significantly less than prior year which reflected payments to contractors for final execution of deliverables from the initial PEI programs.
Assets	\$15.0 million	Assets decreased \$30.8 million over the prior year due to payments to contractors made during the year.
Liabilities	\$ 4.6 million	Liabilities decreased \$10.4 million over the prior year. As deliverables were received and contracts were closed out, this resulted in less amounts owed to contractors at year-end.

**Description of the Basic Financial Statements**

This discussion and analysis is intended to serve as an introduction to CalMHSA’s financial statements: the Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets. The statements are accompanied by footnotes to clarify unique accounting policies and other financial information, and required supplementary information. The assets, liabilities, revenues and expenses of CalMHSA are reported on a full-accrual basis.

The **Statement of Net Assets** presents information on all of CalMHSA’s assets and liabilities, with the difference between the two representing net assets (equity). Changes from one year to the next in total net assets as presented on the Statement of Net Assets are based on the activity presented on the Statement of Revenues, Expenses and Changes in Net Assets.

The **Statement of Revenues, Expenses and Changes in Net Assets** is CalMHSA’s income statement. Revenues earned and expenses incurred during the year are classified as either “operating” or “nonoperating”. All revenues and expenses are recognized as soon as the underlying event occurs, regardless of timing of the related cash flows.

The **Notes to the Financial Statements** provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes describe the nature of CalMHSA’s operations and significant accounting policies as well as clarify unique financial information.

**Analysis of Overall Financial Position and Results of Operations**

The following sections provide additional details on CalMHSA’s financial position and activities for fiscal years 2015 and 2014, and a look ahead at economic conditions that may affect CalMHSA in the future.

**I. Statement of Net Position**

	<b>2015</b>	<b>2014</b>	<b>2013</b>	<b>Change Over Prior Year</b>

Cash and cash equivalents increased \$13.3 million, from \$875,222 as of June 30, 2014, to \$14,220,664 as of June 30, 2015. CalMHSA’s investments of \$43.9 million as of June 30, 2014, matured during the year. This resulted in the increase in cash and cash equivalents, highly liquid investments with a maturity of three months or less when purchased.

**CALIFORNIA MENTAL HEALTH SERVICES AUTHORITY**

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

**JUNE 30, 2015 AND 2014**

Total assets decreased by \$30.8 million from \$45.8 million at June 30, 2014 to \$15.0 million at June 30, 2015. The assets were expected to decrease as payments to contractors for final deliverables and production of products were made.

Liabilities decreased \$10.4 million over the prior year. Final deliverables for the initial PEI programs were received and contracts were closed out during the fiscal year ended June 30, 2015. Since payments for these contracts were made during the year, it resulted in less amounts owed to contractors at year-end.

**II. Statement of Revenues, Expenses and Changes in Net Position**

	<b>2015</b>	<b>2014</b>	<b>2013</b>	<b>Change Over Prior Year</b>
<b>Operating revenues</b>	\$ 7,095,078	\$ 1,462,874	\$ 754,021	385%

<b>Net position, end of year</b>	<u>\$ 10,404,758</u>	<u>\$ 30,754,951</u>	<u>\$ 90,577,656</u>	-66%

For the fiscal year ended, June 30, 2015, total revenue (operating and nonoperating) increased by \$5.4 million. Operating revenue increased \$5.6 million over fiscal year 2014 primarily due to new funding for Phase I Sustainability (\$6.3 million), International SDR Conference Registration fees (\$326,663) and an increase in State Hospital Bed funding (increase of \$165,686) offset by a decrease in funding for TTACB (\$668,600).

## MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2015 AND 2014

---

Operating expenses were \$27.5 million in fiscal year 2015. This was a \$34.1 million or 55% decrease compared to 2014. During the fiscal year 2012, CalMHSA entered into 28 contracts with 28 program partners through June 30, 2014. Expenditures on these contracts for fiscal year 2014 were high as they focused on final execution of deliverables and production of products. The budget for current year Phase I sustainability contracts is significantly less than that of the initial PEI programs.

### **Description of Facts or Conditions that are expected to have a Significant Effect on Financial Position or Results of Operations**

As mentioned earlier, the CalMHSA Board approved a Phase II Funding Plan for the purpose of continuing work related to PEI projects through June 30, 2017. The Plan builds upon the initial statewide PEI investment by bringing three current initiatives (i.e., SP, SDR and SMH) together under one common umbrella – Each Mind Matters. Each Mind Matters will provide a branded comprehensive campaign and recognizable messaging across the state to support a movement in California to promote mental health and wellness and reduce the likelihood of mental illness, substance use and suicide among all Californians. By organizing multiple activities under Each Mind Matters, California can continue to make strides in preventing mental illness, substance use disorders and suicide, improving student mental health, increasing open-mindedness and compassion toward persons experiencing mental health and substance use challenges, and improving health equity by addressing the specific needs of California's diverse ethnic, racial and cultural communities.

The magnitude of this Plan will require a phased approach and diverse sources of funding. The Phase II Plan is designed to support and enhance local PEI work and counties will be expected to make a financial commitment to help reach this financial goal. Significant contributions from county PEI allocations of at least five-percent annually, on average, from each county will be important to meet this financial goal and to demonstrate sufficient commitment on the part of county behavioral health in order to successfully leverage the commitment of partners from other sectors (e.g., primary care, public safety, education, public health). Other funding sources that will need to be considered to raise the balance of the funds are fee-for-service, government and private foundation grants, and federal and non-MHSA state funding streams. It may even be necessary to consider requiring applicants to demonstrate their ability to secure matching funds in order to be competitive in the contract bidding process.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. REPORTING ENTITY**

California Mental Health Services Authority ("CalMHSA") is an independent administrative and fiscal government agency focused on the efficient delivery of California Mental Health Projects. CalMHSA was established by a Joint Powers Agreement on July 1, 2009, under Government Code Section 6500 et seq. among California Counties to obtain and administer public funds to provide certain community mental health services to persons residing within the same counties and cities. Member counties jointly develop, fund and implement mental health services, projects, and educational programs at the state, regional, and local levels. CalMHSA is governed by a Board of Directors, which is composed of the local county or city mental health director from each member, appointed or designated. As of June 30, 2015 and 2014, there were 52 members (50 counties, one city and one JPA).

Admission

To be accepted for membership in CalMHSA, counties must complete an application form and submit the required application fee. The application fee ranges from \$250 - \$1,000 depending on the most recent county population figures published by the State Department of Finance. Counties must then submit a signed participation resolution to CalMHSA that has been approved by the county's Board of Supervisors, execute the Joint Powers Authority Agreement and agree to be bound by any subsequent amendments to the agreement, designate an alternate to the Board as representative and complete the required Fair Political Practices Commission (FPPC) forms.

Withdrawal

A member may withdraw from CalMHSA upon written notice no later than December 31 of the fiscal year if it has never become a participant in any program or if it had previously withdrawn from all programs in which it was a participant. A member who withdraws from CalMHSA is not entitled to the return of any payments to the Authority.

CalMHSA is not a legislative agency, nor an approval or advocacy body. CalMHSA is a best practice inter-governmental structure with growing capacity and capability to promote systems and services arising from a shared member commitment to community mental health. CalMHSA supports the values of the California Mental Health Services Act:

- Community collaboration
- Cultural competence
- Client/family-driven mental health system for children, transition age youth, adults, older adults
- Family-driven system of care for children and youth
- Wellness focus, including recovery and resilience
- Integrated mental health system service experiences and interactions

#### A. REPORTING ENTITY (Continued)

The Mental Health Services Act (Proposition 63), passed in November 2004, provides the first opportunity in many years for the California Department of Mental Health (DMH) to provide increased funding, personnel and other resources to support county mental health programs and monitor progress toward statewide goals for children, transition age youth, adults, older adults and families. This Act imposes a 1% income tax on personal income in excess of \$1 million and provides the counties of California the funds needed to set up contract services for strategies to reduce the following negative outcomes that may result from untreated mental illness:

- Suicide
- Incarcerations
- School failure or dropout
- Unemployment
- Prolonged suffering
- Homelessness
- Removal of children from their homes

As the counties are responsible to use these funds as stated, CalMHSA was established in 2009 to help with the contracting of these services.

#### B. BASIS OF PRESENTATION

The Statement of Net Position and the Statement of Activities display information about CalMHSA. These statements include the financial activities of the overall government. Eliminations have been made to minimize the double counting of internal activities.

The Government-Wide Statement of Net Position presents information on all of CalMHSA's assets and liabilities, with the difference between the two presented as net position. Net Position is reported as one of three categories: invested in capital assets, net of related debt; restricted or unrestricted. Restricted net position is further classified as either net position restricted by enabling legislation or net position that are otherwise restricted.

The Government-Wide Statement of Activities presents a comparison between direct expenses and program revenues for each function or program of CalMHSA's governmental activities. Direct expenses are those that are specifically associated with a service, program, or department and are, therefore, clearly identifiable to a particular function. CalMHSA does not allocate indirect expenses to functions in the statement of activities. Program revenues include charges paid by the recipients of goods or services offered by a program, as well as grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues, which are not classified as program revenues, are presented as general revenues, with certain exceptions. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of CalMHSA. CalMHSA reports all direct expenses by function in the Statement of Activities. Direct expenses are those that are clearly identifiable with a function.

**CALIFORNIA MENTAL HEALTH SERVICES AUTHORITY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**

**FOR THE FISCAL YEARS ENDED JUNE 30, 2015 AND 2014**

---

**B. BASIS OF PRESENTATION (Continued)**

Fund Financial Statements

Fund financial statements report detailed information about CalMHSA. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. CalMHSA has only one operating fund.

**C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING**

Government-Wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments and service charges are recognized as revenues in the year for which they are levied. Expenses are recorded when liabilities are incurred.

Governmental Fund Financial Statement

Governmental fund financial statements (i.e., Balance Sheet and Statement of Revenues, Expenditures and Changes in Fund Balances) are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded under the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. "Available" means the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year.

Non-exchange transactions, in which CalMHSA receives value without directly giving equal value in return, include program funding, assessments and interest income. Under the accrual basis, revenue from program funding and assessments is recognized in the fiscal year for which the program funding and assessments are levied. Under the modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

CalMHSA executed a contract with the California Department of Mental Health (CDMH) for an amount not to exceed \$160 million. This contract has been funded exclusively from funds in the "PEI State-Administered Projects Planning Estimates", now called the "PEI State-Administered Component Allocations", published on September 11, 2008. These funds were classified as a voluntary nonexchange transaction and recorded on a modified accrual basis of accounting because CalMHSA operates with one governmental fund. GASB 33 specifies that revenue from voluntary nonexchange transactions accounted for on the modified accrual basis of accounting be recognized in the period when all applicable eligibility requirements have been met and the resources are available. For CalMHSA, revenue was recognized when counties became official members of CalMHSA and when the funding request was received by the CDMH. The term of this contract was April 15, 2010 through June 30, 2014.

## NOTES TO THE BASIC FINANCIAL STATEMENTS

### FOR THE FISCAL YEARS ENDED JUNE 30, 2015 AND 2014

---

With the end of the four-year period nearing, the CalMHSA Board of Directors adopted a two-phase planning strategy for continuing the investment in statewide PEI efforts. In April 2014, the CalMHSA Board approved a Phase I Funding Plan to sustain the existing Statewide PEI projects through June 30, 2015. Phase I continues some of the current CalMHSA PEI Statewide Projects existing funds and a winding down of others pursuant to the guidance of stakeholders and Board. Phase I is recognized as a short-term sustainability solution for the purpose of providing program partners with additional time to successfully complete their activities and deliverables, and to reduce the risk of any adverse consequences of discontinuing activities (e.g., the ability to measure long-term impact).

Additionally, in August 2014, the CalMHSA Board approved a Phase II Funding Plan for purpose of continuing work related to PEI projects through June 30, 2017. Funding for Phase I and Phase II is derived from current county members committing a range of 1% to 7% funding from their local PEI funds for the next three fiscal years, in addition to CalMHSA seeking other funding to include state and federal resources.

Expenditures were recorded under the modified accrual basis of accounting when the related liability was incurred.

#### **D. FUND ACCOUNTING**

The accounts of CalMHSA are organized on the basis of funds or account groups, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate. CalMHSA resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. CalMHSA has one governmental fund.

##### Governmental Fund:

*The General Fund* is the general operating fund of CalMHSA. It is used to account for all transactions except those required or permitted by law to be accounted for in another fund.

#### **E. CASH AND CASH EQUIVALENTS**

CalMHSA considers all highly liquid investments with a maturity of three months or less when purchased to be cash and cash equivalents.

#### **F. INCOME TAXES**

CalMHSA is a governmental entity and as such its income is exempt from taxation under Section 115(1) of the Internal Revenue Code and Section 23701d of the California and Taxation Code. Accordingly, no provision for federal or state income taxes has been made in the accompanying financial statements.

**G. USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**H. FUND BALANCE**

In accordance with Governmental Accounting Standards Board (GASB) Statement No. 54, "*Fund Balance Reporting and Governmental Fund Type Definitions*", CalMHSA is required to report fund balances in the following categories, as applicable: Nonspendable, Restricted, Committed, Assigned and/or Unassigned.

*Nonspendable Fund Balance* reflects assets not in spendable form, either because they will never convert to cash (e.g. prepaid expense) or must remain intact pursuant to legal or contractual requirements.

*Restricted Fund Balance* reflects amounts that can be spent only for the *specific purposes* stipulated by constitution, external resource providers, or through enabling legislation.

*Committed Fund Balance* reflects amounts that can be used only for the *specific purposes* determined by a formal action of the government's highest level of decision-making authority: the Board of Directors. Commitments may be established, modified, or rescinded only through resolutions approved by the Board of Directors.

*Assigned Fund Balance* reflects amounts intended to be used by the government for *specific purposes* but do not meet the criteria to be classified as restricted or committed. In accordance with adopted policy, only the Board of Directors is authorized to assign amounts for specific purposes.

*Unassigned Fund Balance* represents the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications.

When expenditures are incurred for purposes of which restricted, committed, assigned and unassigned fund balances are available, CalMHSA considers restricted funds to have been spent first, followed by committed, assigned and unassigned, respectively.

**2. CASH AND CASH EQUIVALENTS**

Cash and cash equivalents as of June 30, 2015 and 2014 consisted of the following:

	2015	2014
Cash in banks	\$ 245,647	\$ 344,039
Money Market Account	1,630	110,839
LAIF	13,973,387	420,344
	<u>\$ 14,220,664</u>	<u>\$ 875,222</u>

Cash in Bank

As of June 30, 2015 and 2014, CalMHSA's balances per the bank of \$436,915 and \$506,716 respectively, are insured by the Federal Depository Insurance Corporation up to \$250,000. Section 53652 of the California Governmental Code requires financial institutions to secure deposits made by governmental units in excess of insured amounts, by the pledging of governmental securities as collateral. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by governmental units.

Money Market Account

As of June 30, 2015, CalMHSA's had cash in a money fund managed by Morgan Stanley Smith Barney LLC.

Local Agency Investment Fund

CalMHSA places certain funds with the State of California's Local Agency Investment Fund (LAIF). The Authority is a voluntary participant in LAIF, which is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California and the Pooled Money Investment Board. The State Treasurer's Office pools these funds with those of other governmental agencies in the state and invests the cash. These pooled funds are carried at cost, which approximates market value and is reported in the accompanying financial statements based upon the Authority's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio. The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. Funds are accessible and transferable to the master account with twenty-four hours notice. Included in LAIF's investment portfolio are collateralized mortgage obligations, mortgage-backed securities, other asset backed securities, and floating rate securities issued by federal agencies, government-sponsored enterprises and corporations. The monies held in the pooled investment funds are not subject to categorization by risk category. LAIF is currently unrated and has an average maturity of 239 days.

LAIF is administered by the State Treasurer and is audited annually by the Pooled Money Investment Board and the State Controller's Office. Copies of this audit may be obtained from the State Treasurer's Office: 915 Capitol Mall, Sacramento, California 95814. The Pooled Money Investment Board has established policies, goals, and objectives to make certain that their goal of safety, liquidity, and yield are not jeopardized. Pooled Money Investment Board has established policies, goals, and objectives to make certain that their goal of safety, liquidity, and yield are not jeopardized.

**3. RECEIVABLES**

The receivables balance represents funding revenue for programs that was billed prior to year end, but funds were not received until after year end. Due to the nature of the receivables and the likelihood of collection, no provision for uncollectible accounts has been made.

**4. CONTRACT SERVICES**

CalMHSA does not have any employees and contracts for all necessary services. This includes contracts for the development and implementation of prevention and early intervention (PEI) programs on a statewide and regional basis. Currently, CalMHSA has awarded twenty eight contracts to twenty eight program partners. See [www.calmhsa.org](http://www.calmhsa.org) for a complete list of the statewide PEI approved contractors.

**5. SUBSEQUENT EVENTS**

CalMHSA's management evaluated its 2015 financial statements for subsequent events through December 4, 2015, the date the financial statements were available to be issued. Management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.

## **OTHER AUDITOR'S REPORT**

**James Marta & Company LLP**

*Accounting, Auditing, Consulting, and Tax*

---

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
California Mental Health Services Authority  
Rancho Cordova, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund, and the aggregate remaining information of California Mental Health Services Authority, as of and for the years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise California Mental Health Services Authority's basic financial statements, and have issued our report thereon dated December 4, 2015.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered California Mental Health Services Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the California Mental Health Services Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of California Mental Health Services Authority's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether California Mental Health Services Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. This report is intended solely for the information and use of Management and the Board of Directors and is not intended to be and should not be used by anyone other than these specified parties.

Re: California Mental Health Services Authority

Dear Board of Directors

We are pleased to confirm our understanding of the services we are to provide for California Mental Health Services Authority for June 30, 2015, 2016 and 2017.

**I. SCOPE OF WORK**

The following represents our understanding of the services we will provide California Mental Health Services Authority (Authority).

You have requested that we audit the Statement of Net Position of California Mental Health Services Authority as of June 30, 2015, 2016 and 2017, and for the years then ended and the related notes to the financial statements, which collectively comprise Authority's basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on each opinion unit.

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, Statements of Revenues, Expenditures and Changes in Fund Balance – Budget (Non-GAAP) and Actual, General Fund – Current Year and Statements of Revenues, Expenditures and Changes in Fund Balance – Budget (Non-GAAP) and Actual, General Fund – Prior Year be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- *Management's Discussion and Analysis*
- *Statements of Revenues, Expenditures and Changes in Fund Balance – Budget (Non-GAAP) and Actual, General Fund – Current Year*
- *Statements of Revenues, Expenditures and Changes in Fund Balance – Budget (Non-GAAP) and Actual, General Fund – Prior Year*

Supplementary information other than RSI will accompany Authority's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole.

### **The Objective of an Audit**

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

### **General Audit Procedures**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) *and in accordance with Government Auditing Standards*, and the State Controller's *Minimum Audit Requirements for California Special Districts*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting

estimates made by management, as well as evaluating the overall presentation of the financial statements.

### **Internal Control Audit Procedures**

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS *and in accordance with Government Auditing Standards, and the State Controller's Minimum Audit Requirements for California Special Districts.*

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

### **Compliance with Laws and Regulations**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of California Mental Health Services Authority's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

### **Management Responsibilities**

Our audit will be conducted on the basis that *management* acknowledge and understand that they have responsibility:

- a. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America
- b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
- c. To provide us with:
  - i. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
  - ii. Additional information that we may request from management for the purpose of the audit; and
  - iii. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

- d. For including the auditor's report in any document containing financial statements that indicates that such financial statements have been audited by the entity's auditor;
- e. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities; and
- f. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.<sup>1</sup>

As part of our audit process, we will request from *management and, when appropriate, those charged with governance*, written confirmation concerning representations made to us in connection with the audit.

## **Reporting**

We will issue a written report upon completion of our audit of Authority's basic financial statements. Our report will be addressed to the governing body of Authority. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

We also will issue a written report on Internal Control over Financial Reporting and on Compliance And Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standard upon completion of our audit.

## **Other**

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

## **Provisions of Engagement Administration, Timing and Fees**

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

James P. Marta is the engagement partner for the audit services specified in this letter. *His* responsibilities include supervising James Marta & Company's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

### **Fees**

Our fee for the audits will be \$10,710 for 2015, \$10,925 for 2016, and \$11,145 for 2017. We will bill you on a monthly basis for our services and invoices are payable upon presentation. Unpaid fee balances 30 days overdue will bear interest at 18 percent per annum. This fee is based upon the assumption that the closing journal entries will be made and accounting will be finalized and closed before the year end audit fieldwork. Additional time and billing charges will incur if accounting service is provided for closing or reconciling accounting records.

Whenever possible, we will attempt to use your personnel to assist in the preparation of schedules and analyses of accounts. We understand that your employees will prepare all cash or other confirmations we request and will locate any invoices selected by us for testing. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit.

Our initial fee estimate assumes we will receive the aforementioned assistance from your personnel and unexpected circumstances will not be encountered. In the event that the GASB, FASB, AICPA, GAO, OMB, or the State of California issues additional standards or audit procedures that require additional work during the audit period, we will discuss these requirements with you before proceeding further. Before starting the additional work, we will prepare an estimate of the time necessary, as well as the fee for performing the additional work. Our fee for addressing the additional requirements will be at our standard hourly rates for each person involved in the additional work.

In the event we are required to respond to discovery requests, subpoenas, and outside inquiries, we will first obtain your permission unless otherwise required to comply under the law. Our time and expense to comply with such requests will be charged at our standard hour rates in addition to the stated contract.

We agree to retain our audit documentation or work papers for a period of at least seven years from the date of our report.

At the conclusion of our audit engagement, we will communicate to the board of directors the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

The audit documentation for this engagement is the property of James Marta & Company, LLC and constitutes confidential information. However, we may be requested to make certain audit documentation available pursuant to authority given to any regulator by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of James Marta & Company, LLC's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to any regulator. They may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

### **Mediation Provision**

Disputes arising under this agreement (including scope, nature, and quality of services to be performed by us, our fees and other terms of the engagement) shall be submitted to mediation. A competent and impartial third party, acceptable to both parties shall be appointed to mediate, and each disputing party shall pay an equal percentage of the mediator's fees and expenses. No suit or arbitration proceedings shall be commenced under this agreement until at least 60 days after the mediator's first meeting with the involved parties. If the dispute requires litigation, the court shall be authorized to impose all defense costs against any non-prevailing party found not to have participated in the mediation process in good faith.

Several technical accounting and auditing words and phrases have been used herein. We presume you to understand their meaning or that you will notify us otherwise so that we can furnish appropriate explanations.

We have attached a copy of our latest external peer review report of our firm for your consideration and files.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.<sup>12</sup>

We appreciate the opportunity to be your financial statement auditors and look forward to working with you and your staff.

Respectfully,

Sincerely,

James P. Marta CPA ARM

**SUMMARY OF SIGNIFICANT CHANGES IN FINANCIAL STATEMENTS  
FOR THE SIX MONTHS ENDED DECEMBER 31, 2015**

**BALANCE SHEET:**

**Cash and Cash Equivalents** – The total cash balance as of December 31, 2015 is \$14.2 million. Although income from operations was \$1.0 million and expenses were \$2.5 million for the quarter, the decrease of \$92 thousand in accounts payable and decrease of \$1.6 million in accounts receivable resulted in the cash balance remaining flat when compared to September 30, 2015.

**Receivables** – The balance in accounts receivable as of December 31, 2015, is \$1.7 million. The categories with the most significant balances are as follows:

• Phase II Sustainability Funding	\$ 729,094
• State Hospital Beds Program	<u>786,338</u>
	\$1,515,432

**Accounts Payable** – The balance in accounts payable as of December 31, 2015, is \$1.1 million. The payables are primarily for payments to program partners. The vendors with the most significant balances are as follows:

• Active Minds, Inc.	\$ 90,078
• Runyon Saltzman & Einhorn, Inc.	186,397
• RAND	<u>509,169</u>
	\$ 785,644

**Deferred Revenue** – The balance of deferred revenue as of December 31, 2015, is \$181,670. This represents monies received from member counties for 2016/2017 Phase III Sustainability funding and will be recognized as revenue in 2016/2017.

**STATEMENT OF REVENUE AND CHANGES IN NET ASSETS:**

**Operating Revenue** – Total revenue for the six months ended December 31, 2015 was \$8,512,676 consisting of revenue for Phase II Sustainability, Wellness Center, Suicide Prevention Program, the Community Response Plan and the State Hospital Beds Program.

**Expenses** – Overall expenses for the six months ended December 31, 2015 were \$4.4 million. The expenses for these six months consisted mainly of contract expenses for the Statewide Program (Phase I and Phase II.)

**PROGRAM MATTERS**  
**Agenda Item 5.A.**

**SUBJECT: State Hospital Bed Program Update**

---

**ACTION FOR CONSIDERATION:**

None, information only.

**BACKGROUND AND STATUS:**

June 14, 2012 – Staff proceeded with direction provided at the April 23, 2012 Strategic Planning Session, where staff was to work with CMHDA in exploring the JPA acting on behalf of member counties in the negotiations of the annual procurement contract with the state for state hospital beds.

**Memorandum of Understanding (MOU):**

For the past three fiscal years CalMHSA, in collaboration with counties, has negotiated the terms of the MOU for procurement of state hospital beds, which has attributed to significant benefits to all counties procuring beds.

Due to the FY 14/15 & FY 15/16 MOU being recently finalized and in process of being executed by all counties, staff has requested the DSH commence discussions on the new draft of the FY 16/17 MOU as it is imperative these are approved and executed early on in the process versus at the end of the term. DSH has implied there is not enough time to draft and approve language on a new MOU to become effective on July 1, 2016; therefore, recommended an Amendment to the MOU be issued that extends the term for an additional year. This extension would allow all parties a reasonable amount of time to review and modify the MOU, as deemed appropriate, for the upcoming year(s). Staff will be communicating with counties to determine whether this is an option they would like to consider.

**Alternative to State Hospital Beds:**

On August 13, 2015 CalMHSA and the State Hospital Bed Committee received approval from this board to proceed in working with **Correct Care Solutions (CCS)** on alternatives to State Hospitals.

*Southern California Efforts* – Since then, CalMHSA staff and CCS have had the opportunity to meet with Los Angeles County to look at potential sites and is currently working on scheduling a

meeting with Riverside County to obtain their support in assessing the viability of four potential sites.

*Northern California Efforts* – CalMHSA and CCS have performed three site visits within Fresno County and are in preliminary discussions regarding viability of some sites within Monterey County.

*Commitment* – In light of the work being done with CCS for state hospital type services, it will be necessary to have critical conversations with counties as to the level of financial commitment required in order to secure alternatives to state hospital beds. Counties are encouraged to initiate internal/local discussions related to the need and demand, followed by the level of commitment. Staff is prepared to partake in these discussions as deemed appropriate.

**Meeting(s):**

The committee met with DSH, and agreed to extend the current MOU for an additional 2 year period, to allow for a thorough review of current MOU and make the necessary adjustments. In addition, it was agreed the committee and DSH would have a bi-monthly standing meeting to accomplish the task.

**Program Cost Benefit(s):**

Given the work that has been done by the committee and staff, at the direction of the CalMHSA Board of Directors in 2012, it has been projected a \$20 million cost savings to counties between FY 13/14 to date.

Contributions for the projected cost savings are as follows:

1. Freezing of Rates (*approx. \$6 million cost savings*) – Acknowledging the DSH was unable to provide counties with “actual cost accounting” for each hospital, as required by statute, it was agreed the DSH would freeze the rates until such time they are able to comply with the statute. It was estimated that every year DSH would impose a 3% rate increase.
2. Blended Rate (*approx. \$2 million cost savings*) - Moved from a three rate structure (Acute \$646, ICF \$617, SNF \$775), to a two rate (Acute/ICF \$626, SNF \$775 (blended rate)).
3. Billing Based on Actual Usage (*approx. \$12 million cost savings*) - Moved from a commitment based billing to actual use; therefore, counties are no longer paying for beds not used.

**FISCAL IMPACT:**

None for CalMHSA, however significant for Counties.

**RECOMMENDATION:**

None, information only.

**TYPE OF VOTE REQUIRED:**

None, information only.
