

Request for Proposals (RFP) Interoperability and eMPI Software

ADDENDUM 3

Applications deadline 5:00 p.m., February 17, 2023

Due to the dynamic nature of state and federal requirements around interoperability, and based on ongoing evaluations and needs assessments, CalMHSA will be extending the Request for Proposal Timeline for an additional ninety (90) days.

Through this Addendum, CalMHSA intends to evaluate the option of purchasing individual components of an interoperability and eMPI solution, compared against the option of purchasing the full solution previously proposed by Respondents. Accordingly, CalMHSA requests additional information as stated below:

Additional Information Requested

1. Itemization of Components of Interoperability and eMPI Solution Proposal: Please provide an itemization of pricing for each of the components listed below:
 - a. Hosting
 - b. IHE Server/Functionality
 - c. FHIR Server/functionality
 - d. FHIR API's
 - e. eMPI
 - f. Implementation
 - g. On-going Costs (i.e. Support)

2. Confirmation of Original Proposed Pricing for Full Solution: Please confirm that the pricing originally proposed by Respondent in its response to the original RFP posting remains Respondent's best and final offer. Please further confirm that the pricing proposed by Respondent remains valid until at least August 16, 2023].

In light of the additional information being requested (see above), CalMHSA will be accepting and answering questions pertaining specifically to this Addendum 3 and the information requested herein.

The deadline to submit questions pertaining to this Addendum is **May 26, 2023**, and all questions must be submitted through CalMHSA's e-Procurement Portal at: <https://www.bidnetdirect.com>. The FAQ responding to questions submitted will be posted on **June 2, 2023**, at <https://www.bidnetdirect.com> and on the CalMHSA website. Thereafter, Respondents are asked to submit their responses to the additional information request at: <https://www.bidnetdirect.com>. The deadline to submit responses to this Addendum 3 is **June 16, 2023**.

Accordingly, the following revisions have been made to Section 8: Submission Instructions and Requirements, listed on page 9 of the original Request For Proposals – Interoperability and eMPI

Software posting, and to the Interoperability & eMPI Software RFP – Addendum 1 and Interoperability & eMPI Software RFP – Addendum 2:

8. Submission Instructions and Requirements

The FAQ responding to questions submitted will be posted on **June 2, 2023**. The deadline to submit responses to the additional information request is **June 16, 2023**.

Review of Respondent Applications and Evaluation of Proposals:

CalMHSA reserves the right to select a Respondent’s full proposed solution, individual components of the solution from one or more Respondents, or to not select any components or full proposed solutions. Selection will not be based exclusively on price or highest score pertaining to Respondent’s submission to the original RFP posting. CalMHSA reserves the right to negotiate with Respondents who, in the opinion of the review panel, have submitted the best component(s) or full proposed solution in an attempt to reach an agreement. If no agreement is

reached, CalMHSA may negotiate with other Respondents or may choose to extend the proposal period. CalMHSA also reserves the right to meet with vendors to gather additional information. Additional information may include, but is not limited to, a demonstration of skills described in the proposal.

RFP Conclusion and/or Termination

Due to the dynamic nature of state and federal requirements around interoperability, and based on ongoing evaluations and needs assessments, CalMHSA reserves the right to conclude and/or terminate this RFP in advance of the conclusion of the Application Review Period. In the event of any such early conclusion or termination, CalMHSA will provide respondents with written notice via electronic mail.
