

CalHOPE Support Program

2024-25

October 4, 2024

2024-25 CHSP

The Calhopeconnect.org chat app restarted on August 1, 2024.

Reduced hours, same two subs staffing with reduced staffing.

Remaining 17 subs all receive the same amount to conduct outreach.

Unlike the previous program, this is a grant based on deliverables.

You will invoice 3 times to receive the full amount of the grant.

First Invoice: 50% of Grant

Upon receipt of Deliverables 1, 2, and 3:

- COI, W-9, and signed amendment: email jasi.milton@calmhsa.org
- Implementation Workplan and Timeline, with simplified budget
- Edits to Calhopeconnect.org calendar
- Alta Med, Vision y Compromiso, and USC have not yet signed.

Workplan and Timeline

- High Level Budget that shows you are budgeting for the 9 months.
- Workplan focuses on meeting the requirement to provide at least one outreach event per week and submit an outreach form.
- Outreach forms to be submitted within one week of the event.
- We are revising the outreach form and will provide a training on 10/17.

Focus on Parents, Caregivers and Youth

- As requested by DHCS, this amendment focuses outreach to children and youth, ages 0-25, and their parents and caregivers.
- Outreach to these populations will include information on BrightLife Kids and Soluna.
- BrightLife Kids provides free behavioral health coaching to parents and caregivers of children through age 12.
- Soluna is an app that also provides coaching for youth from ages 13-25.

AI Survey

- DHCS' contracts now require completion of an AI survey and specifically asks for information from subcontractors.
- Completion of this survey is required of all agencies.
- The questions ask about AI use on this contract amendment, answer no, even if you use AI for other work.
- Complete the survey by end of the day, today.
