

CALMHSA'S PRESUMPTIVE TRANSFER PORTAL

The Presumptive Transfer Portal offers counties access to a seamless platform that enables billing between counties relating to presumptively transferred patients, all in a single location.

Each county enters into a single MOU with CalMHSA rather than separate agreements with all other counties.

ADMINISTRATIVE HIGHLIGHTS

- Create single or bulk import invoices via manual entry or 835/837 extract.
- Meets AB 1051 requirements
- Custom dashboard displays your invoices and fiscal balance.
- Monitor invoices using multiple checks and balances.

FISCAL HIGHLIGHTS

- CalMHSA transfers funds between counties.
- Each county has its own balance within the portal.
- Counties can download reports to track cost breakdowns.
