PROGRAM-SPECIFIC CONSENT CALENDAR
Agenda Item 5.A.1

SUBJECT: SPARKS LA SPORTS LLC

ACTION FOR CONSIDERATION:

Program Participant Approval of Sparks LA Sports LLC Contract for “Spark the True You: Reclaim Your Light” media campaign.

BACKGROUND AND STATUS:

On February 14, 2018 the CalMHSA Board approved the Los Angeles County Participation Agreement Amendment to add a scope of work being the Mental Health Promotion and Awareness Campaign. The Campaign includes working collaboratively with high influencers and others in an effort to increase awareness and resources to Los Angeles County’s communities.

As such, CalMHSA is in a unique opportunity to contract with the Los Angeles Sparks Women’s Basketball Team to develop a campaign infrastructure on behalf of the Los Angeles County Department of Mental Health (LACDMH) that will cast a greater spotlight on military women, veterans, and their families in an effort to highlight and underscore the invaluable community asset that they are.

Spark the True You: Reclaim Your Light, presented in partnership with the Los Angeles County Departments of Military and Veterans Affairs and Mental Health, will educate, assist, and activate a growing community of support across Southern California for military women, veterans, and their families who are looking for way to be successful and achieve their ultimate physical, spiritual, emotional, and mental health goals.

Additionally, the campaign will work to inspire a movement to normalize the experience of mental illness and other related health issues and begin to break through the numerous barriers that continue to hold many military women and veterans back from reaching out for assistance and taking advantage of available resources.

Other features will include an innovative influencer campaign, partnerships with organizations providing promotional support and content development, and opportunities for individuals to take personal actions to spark their truth in their own communities as a benefit to themselves and to their fellow sisters.

The Los Angeles Sparks will also work to bridge the gaps within the academic, political, business, healthcare, nonprofit, social service and alternative therapy spaces by leveraging their close relationships within each sector throughout the duration of the campaign.
The Los Angeles Sparks is the only WNBA team in Los Angeles County and has the unique ability to reach out to large underserved target population, which is critical to reaching the goals of the Campaign efforts. As such, staff seeks approval of a contract with Los Angeles Sparks for up to $1,000,000 for one year. Funding will come from Los Angeles County Department of Mental Health.

**CalMHSA Procurement Policy**

**Section 7 Competitive Selection Process Exceptions:**

All goods or services over $5,000 shall be procured by a competitive selection process unless the Board determines one of the circumstances below is satisfied. The selection process or the exception must be documented.

1. Non-Competitive Bid Contracting. If the goods or services are obtained from a sole source without a competitive selection process, a written justification is required, and the written justification must be distributed with the agenda materials in advance of the meeting at which the contract is approved. The written justification shall be reviewed by CalMHSA’s counsel and shall indicate whether in counsel’s opinion the justification offered complies with this Section. One or more of the following factors may justify use of a sole source contract.

   “a. The uniqueness of a vendor's capabilities or good offered to meet the needs of CalMHSA as compared to other contractors.”

Counsel has reviewed this explanation and concludes that the justification offered complies with Section 7 of the Procurement Policy.

**FISCAL IMPACT:**

Up to, $1,000,000 to the County of Los Angeles.

**RECOMMENDATION:**

Program Participant Approval of Sparks LA Sports LLC Contract for “Spark the True You: Reclaim Your Light” media campaign.

**TYPE OF VOTE REQUIRED:**

Majority vote of program participants.

SUBJECT: VOLUNTEERS OF AMERICA

ACTION FOR CONSIDERATION:

Program Participant Approval of Volunteers of America Contract for “Dimensions of Moral Injury Conference” media campaign.

BACKGROUND AND STATUS:

On February 14, 2018 the CalMHSA Board approved the Los Angeles County Participation Agreement Amendment to add a scope of work being the Mental Health Promotion and Awareness Campaign. The Campaign includes convening of various events, conferences, meetings, etc., in an effort to increase awareness and resources to Los Angeles County’s communities.

At the suggestion of LACDMH, CalMHSA staff proposes to contract with the Shay Moral Injury Center at Volunteers of America to convene a conference focused on gathering diverse experts to advance knowledge of Moral Injury and of recovery strategies for military veterans and new populations and professions. New applications of moral injury include the incarceration and child welfare systems, social movements, religious communities, and caregiving work. The conference is designed to provide education and training to professionals and students working in mental health, spiritual health and community and congregational leadership, and to families and communities affected by Moral Injury.

Dr. Rita Brock with Volunteers of America is uniquely qualified to put on a conference discussing the idea and effects of moral injury. Moral injury has been explained as the damage done to one’s conscience or moral compass when that person perpetrates, witnesses, or fails to prevent acts that transgress their own moral and ethical values or codes of conduct. Dr. Brock wrote the first book on this topic -Soul-Repair- which analyzed the concept of moral injury and how it effects the lives of veterans, their families, and the community. She directs the Shay Moral Injury Center of Volunteers of America. The Center aims to deepen understanding about moral injury in the many populations who experience it. The center builds on Volunteers of America’s work, spanning more than a century, of helping veterans and others who live with this emotional trauma. The Shay Moral Injury Center has conducted “moral injury convenings” in cities around the country.

The conference offers a unique opportunity to educate professionals in an area that applies to an underserved population which would make a positive and significant impact on not only Los Angeles’s local communities, but other surrounding communities.

Staff believes this contract falls within one or more exceptions to the competitive selection provisions of the CalMHSA Procurement Policy. These exceptions allow for noncompetitive selection when a vendor’s capabilities are unique, and when its staff is specialized. Also, there is an exception for retaining professional services. As indicated above, Dr. Brock is a recognized leader in
this developing area and the Center she directs has unique experience and contacts regarding this subject matter.

Counsel has reviewed this explanation and concludes that the justification offered complies with Section 7 of the Procurement Policy.

**FISCAL IMPACT:**

Up to, $400,000 to the County of Los Angeles.

**RECOMMENDATION:**

Program Participant Approval of Volunteers of America Contract for “Dimensions of Moral Injury Conference” media campaign.

**TYPE OF VOTE REQUIRED:**

Majority vote of program participant.

Agenda Item 5.B.1

SUBJECT: THE PAINTED BRAIN

ACTION FOR CONSIDERATION:
Program Participant Approval of “Painted Brain” contract.

BACKGROUND AND STATUS:
On October 12, 2017 the CalMHSA Board approved the implementation of the Innovation Tech Suite Project with the purpose of contracting with tech vendors that would develop or enhance technology-based solutions that would increase access to mental health services. Since that time CalMHSA has contacted with two tech vendors, with one focusing on hiring and training Peers within each of the participating counties. The Innovation Tech Suite Leadership determined that in order to be successful in meeting the needs of each participating county, it was important for counties to have a role in hiring Peers locally for a positive impact within their communities. The current vendor would continue to provide the training for the hired Peers. Up to 7 Peers need to be hired in the next 30 days to keep the Project on schedule.

Based on information provided by LACDMH, CalMHSA staff seeks to contract with Painted Brain, which bills itself as an organization that creates lasting community-based solutions to mental health challenges and the impact of social justice through art, advocacy and enterprise, to select and retain Tech Peers in Los Angeles County.

For a dozen years, Painted Brain has been a leader in innovative peer driven services to address the social needs of people living with mental illness. The organization is unique in the field of mental health in that the staff, including social workers and occupational therapists, administrative staff, and peers all self-identify as people with mental illness. Painted Brain operates a free community center in the Pico-Fairfax neighborhood in Los Angeles which features a clothing boutique, a tech space and an arts space. During hours of operation, peer leaders and volunteers lead group activities in the arts ranging from cartooning to sewing to computer graphics. Painted Brain generates operational revenue through the provision of services including arts groups of all kinds as a form of psychosocial rehabilitation, individual and group Occupational Therapy, and traditional clinical services under contract with private individuals, nonprofit mental health and housing organizations, and Los Angeles County. Painted Brain publishes magazines, coloring books, web content and social media content with more than 80,000 followers. This aspect of Painted Brain is completely run by mental health consumers featuring the work of mental health consumers.

From running workshops in co-occurring disorder sites such as SSG Alliance, step-down facilities, and homeless drop-in centers, the most significant outcome has been fostering a community of homeless youth techies throughout Los Angeles particularly at Daniel’s Place, a subsidiary of Step Up on Second. In fact, Painted Brain received grant funding in 2018 along with Step Up from Del
Webb to teach computer coding and media literacy to homeless young adults. Additionally, Painted Brain was funded by Kaiser Permanente to implement the Technology in Health Neighborhoods: Access, Training, and Opportunities program, which train peers with living with mental illness on how to create a website that features local community resources and how to conduct a series of public presentations to promote both the website and the available services. Due to its demonstrated service track-record and unique technical expertise, LACDMH staff is confident that Painted Brain is uniquely qualified to supervise and deploy Tech Peers and conduct peer technical training and mental health community outreach and engagement services for the Innovation Tech Suite Project.

Painted Brain, Inc. possesses both the unique capabilities and proven service track record needed to successfully provide peer-led technical training services through CalMHSA. According to LACDMH, it is also the only viable provider of the required service in the geographic area with the unique technical training expertise to implement the proposed contract in a short timeframe, due to the urgent need to have the Peers in place within the Los Angeles County region, that trains individuals with mental illness to use technology as a mechanism to improve both mental health outcomes and future employability.

Due to the short timeframe for this work and the representation by LACDMH that its vendor Painted Brain is uniquely able to satisfy the needs of the Innovation Tech Suite in Los Angeles County, staff believes that noncompetitive procurement is appropriate under Section 7 of CalMHSA’s Procurement Policy, relevant portions of which are set out below:

CalMHSA Procurement Policy

Section 7 Competitive Selection Process Exceptions:

All goods or services over $5,000 shall be procured by a competitive selection process unless the Board determines one of the circumstances below is satisfied. The selection process or the exception must be documented.

1. Non Competitive Bid Contracting. If the goods or services are obtained from a sole source without a competitive selection process, a written justification is required, and the written justification must be distributed with the agenda materials in advance of the meeting at which the contract is approved. The written justification shall be reviewed by CalMHSA’s counsel, and shall indicate whether in counsel’s opinion the justification offered complies with this Section. One or more of the following factors may justify use of a sole source contract.

   “a. The uniqueness of a vendor’s capabilities or good offered to meet the needs of CalMHSA as compared to other contractors.”

   “d. The facilities, staff or equipment the proposed vendor has that are specialized and vital to the services required.”

   “f. The vendor’s ability to provide goods or services in a required time frame.”

Counsel has reviewed this explanation and concludes that the justification offered complies with Section 7 of the Procurement Policy.
**FISCAL IMPACT:**
TBD (Funding based on number of Peers needed/hired and days worked)

**RECOMMENDATION:**
Program Participant Approval of the Painted Brain contract.

**TYPE OF VOTE REQUIRED:**
Majority vote of program participants.

FINANCIAL MATTERS
Agenda Item 6.A

SUBJECT: CALMHSA ANNUAL REVENUE AND EXPENDITURE REPORT – PROPOSED REVISED BUDGET JUNE 30, 2019

ACTION FOR CONSIDERATION:
Approve the CalMHSA Revenue and Expenditure Report – Proposed Revised Budget June 30, 2019

BACKGROUND AND STATUS:
At the June 16, 2018 Board of Directors meeting, the members approved the proposed June budget and the contingency budget for the year ending June 30, 2019.

The contingency budget included an increase in staffing, requiring adjustment to the Administrative and Financial Services Agreement (GH), as indicated in the Fourth Amendment. The approval of increases and decreases in compensation within the Agreement may be delegated to either the Executive Committee or the Finance Committee. At the February 2019 Finance Committee (a quorum was not achieved), the Committee Members ratified the staffing increase (18.5 FTE to 21.5 FTE) of the Administrative and Financial Services Agreement (GH) Budget.

In addition, the Committee recommended approval of the Proposed Revised Budget as follows:

Revenue:
Revenue Increase/(Decrease) are:
- Innovations Programs  -$1,642,922
- Private Funds Development Fees  -$499,995
- State Hospital Beds  -$248,598
- Actual Central Valley Suicide Prevention Contracts  -$44,771
- LA County Media Campaign  $18,385,758
- AB1299 Presumptive Transfer  -$6,300,000
- Other Programs  -$4,575,000
Net Revenue Increase  $5,074,472

Expenses:
Program Contract Expenses (and total expense) increased $2,130,292 related to the increased funding and additional programs.

At the June 15, 2018 Board of Directors meeting, the members approved the proposed June 2019 budget and the contingent budget (which included Innovative Technology, LA Media Campaign and additional Innovation programs) for the year ending June 30, 2019.
With the attainment of the contingent budget, this increases the need to increase FTE to 21.5, therefore requiring adjustment to the George Hills contract indicated in the Fourth Amendment. The increase in FTE is directly a result of the various new programs, and the program management related to Innovation Tech Cohort 1 and Cohort 2.

**FISCAL IMPACT:**

Fiscal impact of $535,004 due to increase in Program Revenues, Expenditures and FTE.

**RECOMMENDATION:**

Finance Committee (quorum not achieved) recommends approval to the Board of Directors the CalMHSA Revenue and Expenditure Report - Proposed Revised Budget June 30, 2019.

**TYPE OF VOTE REQUIRED:**

Majority vote.

FINANCIAL MATTERS

Agenda Item 6.B

SUBJECT: CALMHSA AGREEMENT FOR ADMINISTRATIVE AND FINANCIAL SERVICES WITH GEORGE HILLS

ACTION FOR CONSIDERATION:

Recommend for Board Approval of a one-year extension of the George Hills contract to June 30, 2020.

BACKGROUND AND STATUS:

The Finance Committee met on February 5, 2019 and discuss several fiscal matters, to include the George Hills contract and its expiration date of June 30, 2019. Given the significance of the current projects and potential negative impact of discontinuing work due to the contract terming out, the Committee determined would be in CalMHSA’s best interest to proceed with the option to extend for an additional year, as approved by the full board on June 15, 2017. The one-year extension would allow the full board to consider its options for a competitive bid process or non-competitive bid process for the procurement of fiscal and administrative services beyond June 30, 2020.

The Finance Committee recommends Board approval to exercise the option to extend the George Hills contract for an additional year, as defined in the Fourth Amendment approved by the full board on June 15, 2017.

As discussed at the above reference CalMHSA Board meeting, it is recommended the Board take the next 12 months to consider its historical practices and options for moving forward as described below.

Historical Practice and Options:

CalMHSA entered into a formal contract on October 28, 2009, with George Hills, to be the Administrative Company to manage CalMHSA. That contract was later amended upon the execution of the CalMHSA contract with the Department of Mental Health on April 15, 2010. Subsequently, and since then, the CalMHSA Finance Committee was asked to continually review the performance of the contract and the financial terms with GH and report to the board. At the December 13, 2013, Board of Directors Meeting, action was taken to approve the amended contract with GH, with a term of July 1, 2014 through June 30, 2017. With the GH Contract term coming to the end, the Finance Committee has met twice in 2017 to discuss and recommend for approval by the Board. At the March 27, 2017 Finance Committee meeting the recommendation was to go forward on a Sole Source basis the renewal and three-year extension of the GH Contract. At the April 13, 2017 Board meeting the item was discussed, but there was not a quorum to take action. However, based on input received at that meeting of a potential one-year extension, the Finance Committee met again on May 8, 2017 and reached the following conclusions:
1. Based on discussion, and the section below in italics, that conducting a RFI, RFQ, and/or RFP was not deemed necessary.

2. The GH proposed terms seemed reasonable and appropriate. The Finance Committee was in support of renewal, but could not reach consensus on the length of the contract—one, two, or three year term.

3. Finance Committee recommended that this item be reviewed by the CalMHSA Executive Committee for the purpose of making a recommendation for approval by the Board of a one, two, or three year renewal of contract.

As a matter of information, the following contract termination clause applies: “This Agreement may be terminated in the following ways:

(a) By mutual agreement of the parties, expressed in writing.
(b) By either party, without cause, by providing the other party not less than one ninety days (90) days written notice.
(c) By either party at any time, for good cause, by providing the other party not less than sixty days (60) written notice. The party attempting to terminate this Agreement for good cause shall specifically outline in writing the factual bases for the allegations of good cause as defined herein, and shall give the other party thirty (30) days after receiving the written notice of termination for good cause to cure the alleged cause for termination. The terminating party shall not unreasonably refuse to accept the proposed cure offered by the other party.
(d) If CMHSA determines GH is abusing or defrauding, or has abused or defrauded CMHSA or others in relation to this Agreement, CMHSA may immediately terminate this Agreement upon verbal notice to GH to be followed by written notice.
(e) If, during the term of this Agreement, State funds appropriated for the purpose of this Agreement are reduced or eliminated, CMHSA may immediately terminate this Agreement upon written notice to GH.

CalMHSA’s Procurement Policy generally requires a competitive selection processes but includes exceptions recognizing that noncompetitive contracting may better serve CalMHSA in some cases. The Procurement Policy lists factors that may justify sole source contracting, including the following: “Retaining professional services, such as but not limited to, an attorney, auditor, manager or administrator, to maintain expertise, continuity, consistency and knowledge of CalMHSA.” In this case the extension of the GH contract will allow for:

1. Special knowledge and expertise of vendor, in that the staff provided by GH are specialized in managing CalMHSA’s various and programs and JPA’s in general, which are vital to the services required of CalMHSA.
2. Continuity - Continuation of programs without disruption. Any other administrator would have to furnish space, and hire and train new staff. The current administrator keeps expenses low by utilizing some staff on a part-time basis while their remaining time is dedicated to other GH related matters. This includes the JPA Administrative Manager, Finance Director and Chief Operations Officer, as well as IT, reception, and HR staff. Additionally, the contract has been able to retain certain subject matter expert staff at a reduced level (80%), which includes Program Manager and Program Director.
3. Comparability – The CalMHSA Finance Committee requested GH study comparable staffing and associated costs with two models: (1) another CSAC affiliated JPA (CSAC-EIA), and (2) a comparable county. In both cases, the cost per employee and associated costs exceed GH costs. Two sister BH County organizations that have structures to potentially achieve some fraction of CalMHSA’s functions are CBHDA and CIBHS, both with different purposes and IRS status. In the past the Finance Committee [or Board] has also looked at the JPA hiring, managing and housing its own staff, but due to economies mentioned below, that alternative has not been found to be cost effective.

4. Efficiency – CalMHSA is unique in that it is an entity that provides program, administrative and fiscal services in support of its members acting alone or in collaboration with other departments. CalMHSA includes an extensive list of program operations, including but not limited to, administration of PEI services, contract and negotiations with state and/or other providers, risk pools, group purchasing, contract management, research and development, data management and maintenance of a research depository.

GH’s involvement in CalMHSA’s creation and operation of these programs has been instrumental and its knowledge and experience could not easily be replaced. This includes retention of essential staff, relationships with stakeholders and program partners, and connections with key people at relevant state agencies. The contractual inability of a different administrator to employ current staff, other than the Executive Director, could result in a significant loss to CalMHSA’s institutional memory and effectiveness.

In addition, the Finance Committee has found the cost of GH’s services as a percentage of program dollars has been well within standards.

Time is another factor that has been considered. It is estimated that an RFP process could take 6-9 months. The cost for conducting such a RFP is unknown, but would likely require use of personnel other than CalMHSA staff to avoid conflicts of interest, assuming GH chose to compete for the contract. The uncertainty during that process could lead to erosion of staff morale and the loss of key staff. Moreover, if a new vendor is selected, the start-up and transfer period could be another several months.

Should the JPA determine that releasing an RFP is the preferred next step, the following is a draft summary of tasks for the JPA:

1. Prepare a timeline for the Board
2. Follow Procurement Policy for Contract for services for RFP management
3. Form a Board Committee for developing an RFP
4. Recruit Review Committee/Panel
5. Release RFP
6. Collect and prepare responses to RFP questions
7. Conduct Proposer’s Question and Answer conference/webinar
8. Collect letters of intent
9. Develop a scoring tool and interview protocols
10. Select a review panel
11. Conduct training for Review Committee/Panel
12. Collect Proposals
13. Convene a Committee/Panel to review proposals and score
14. Notification to the Board of final selections
15. Obtain Board approval for contracting with final selection

PROPOSED FOURTH AMENDMENT TO THE AGREEMENT BETWEEN CALMSHA AND George Hills

George Hills proposal for extension is as follows:
1. This extension allows for continued program funding and compensation.
2. The terms provide for flexibility in the event of CalMHSA funding decreases or increases adjustments.
3. In the event of increased programs or services, compensation shall increase to reflect the current hourly rate of $99 per hour/per FTE. In the event of decreased program funding, George Hills shall make similar adjustments downward FTE reductions required to support the revised budget.
4. Annual adjustments to the above rate, for cost of living, shall be limited to 2% per annum.

On May 24, 2017 the Executive Committee met via teleconference to consider the above recommendation from the Finance Committee. After having heard all background information and justification for the sole source contract, the Executive Committee approved the recommendation with an amendment as follows:

Approval of a sole source contract extension with George Hills for a term of two (2) year with option to extend for an additional year.

RECOMMENDATION:

Recommend for Board Approval of a one-year extension of the George Hills contract to June 30, 2020.

TYPE OF VOTE REQUIRED:

Majority vote.

FOURTH AMENDMENT TO THE AGREEMENT
FOR
ADMINISTRATIVE AND FINANCIAL SERVICES

This FOURTH Amendment to the Agreement for Administrative and Financial Services (which, as modified, may be referred to as the "Fourth Amended Agreement") is made and is effective as of the 1st day of July, 2017, by and between the California Mental Health Services Authority, hereinafter referred to as "CalMHSA", and George Hills, hereinafter referred to as "GH", a California Corporation. The provisions of the Third Amended Agreement shall continue to apply until July 1, 2017.

In consideration of the covenants and conditions hereinafter provided, CalMHSA and GH do hereby covenant and agree that the First Amended Agreement is amended in the following respects:

1. The Fourth Amendment hereby amends the Third Amended Agreement to reflect the following:

   A. **Term** – Effective July 1, 2017 through, to and including June 30, 2019, with option to extend for one additional year.

   B. **Program Funding & Compensation** -

      i. Program funding and Resources Required – The program funding is budgeted at the same level as prior year, however additional resources are included for the Hospital Program and reserves will be utilized. In the event of future funding decreases and increases, which may result in a need for changes to FTE requirements, compensation shall be adjusted. Compensation adjustments shall be based on changes to FTE requirements, which would be agreed by the parties. This adjustment agreement by CalMHSA may be delegated to Executive or Finance Committee.

      ii. Compensation adjustments would be take effect based upon the above FTE adjustment agreement, at the current hourly rate per FTE.

      iii. Annual adjustments to the above rate, for cost of living, shall be limited to 2% per annum.

      iv. Compensation Summary:

SUBJECT: STATE HOSPITALS PROGRAM UPDATE

ACTION FOR CONSIDERATION:
None, information only.

BACKGROUND AND STATUS:
At the April 23, 2012, Strategic Planning Session, staff was asked to work with CBHDA in exploring the JPA acting on behalf of member counties in the negotiations of the annual procurement contract with the state for state hospital beds.

Since 2012, CalMHSA, in collaboration with counties, has negotiated the terms of the MOU for procurement of state hospital beds, which has attributed to significant benefits to all counties procuring beds.

On September 12, 2018 staff in collaboration with Correct Care Services, The Plenary Group, and Canon Designs did a comprehensive presentation of the alternatives to state hospitals potential site, Paso Robles. As part of that presentation, staff indicated there would be a meeting with Los Angeles County to specifically discuss the various financial options and their commitment to the project. That meeting has yet to transpire as the project has been suspended due to insufficient financing options at this time.

MEETING(S)
As reported at the September Board meeting, on August 24, 2018 CalMHSA and counties met with the State Department of Hospitals to discuss the new contract amongst other things, with their indication of a new contract template being used moving forward. The department has indicated the contract template is to be shared with CalMHSA to start the review and negotiation process.

CalMHSA received the contract template in late December, however given the numerous revisions needed staff has yet to share with counties for input.

In addition, staff was informed the department had yet more changes in administration which made it important for staff to schedule a meeting. In addition, the meeting would allow for discussion related to the new contract template and plan for moving forward. This meeting has been scheduled for February 20th, which will include attendance from counties/committee members.

PASO ROBLES SITE
In December we were informed that the City of Paso Robles and State, Department of General Services (DGS), was at an impasse as it relates to the procurement of the land and both agreed it is better to move on. Therefore, State has decided to put the property out for public bidding. While
that eliminates some disadvantages of the City, they remain interested and confident in their acquisitions. They remain interested in working with the counties and a potential hospital site. On December 3, 2018, DGS released an updated notice for the facility indicating a “Request for Written Offer” would be available the second quarter of 2019. (See Summary Notice)

WELLPATH (Formerly Correct Care Solutions)

Wellpath, formerly Correct Care Solutions, was instructed by CalMHSA to develop alternative pricing and funding models, which they have indicated to be available in late February.

SUBJECT: INNOVATION TECH SUITE PRESENTATION

ACTION FOR CONSIDERATION:
None, information only.

BACKGROUND AND STATUS:
The Board of Directors approved CalMHSA to administer the Innovation Technology Suite Project on behalf of individual CalMHSA members during the October 12, 2017, Board Meeting. Currently five counties have received Mental Health Services Oversight and Accountability Commission (MHSOAC) approval and hold Participation Agreements with CalMHSA: Los Angeles County, Kern County, Orange County, Modoc County, and Mono County.

CalMHSA and participating counties have chosen four initial vendors through competitive processes (RFP and RFSQ) to begin development and implementation:

1. 7 Cups: Application
2. Mindstrong: Application
3. University of California, Irvine: Evaluation
4. Runyon Saltzman & Einhorn, Inc.: Outreach and Marketing

CalMHSA has contracted for additional project support with:

1. CIBHS: Karin Kalk, Project Manager, and Samantha Spangler, Evaluation Expert
2. Intrepid Ascent: Implementation Support

On September 27, 2018, eight additional counties and two cities will present plans to the MHSOAC to join the Innovation Technology Suite. Those counties include Inyo County, Riverside County, Tri-City Mental Health, Marin County, San Mateo County, the City of Berkeley, Tehama County, Monterey County, San Francisco City and County, and Santa Barbara County. Karin Kalk, Project Manager, has been in communication with the eight counties and two cities to support proposal development, finalize budgets, and plan for scalability of the project.

The Tech Suite Project launched in July 2018. CalMHSA is currently recruiting for the Technology Suite Peer and Community Engagement Manager while counties have or are in the process of hiring local peers.
The Tech Suite Project budget for the initial five counties is $54 million. The additional counties and cities, if approved, will add an additional $32 million to the budget, bringing the total to $86 million. Note that CalMHSA's administrative fee for this project remains at 5%; it is currently $2.7 million and will increase to $4.3 million if additional counties are approved.
